

## City of Lake Stevens Mission Statement

The City of Lake Stevens' mission is not only to preserve the natural beauty that attracted so many of its citizens, but to enhance and harmonize with the environment to accommodate new people who desire to live here. Through shared, active participation among Citizen, Mayor, Council, and City Staff, we commit ourselves to quality living for this and future generations.

Growth in our community is inevitable. The City will pursue an active plan on how, when, and where it shall occur to properly plan for needed services, ensure public safety, and maintain the unique ambience that is Lake Stevens.
