

NOTICE OF APPLICATION

Project Name: Tenalco (Evergreen Sanitation)
Project Location: 2910 Old Hartford Road
Tax Parcel Number: 290605-004-011-00
Project File No.: MISC2010-9
Applicant: Eldredge Industrial, LLC

Proposed Project Description: The proposed project will provide a new odor control facility to serve an existing treatment facility. The facility will draw odorous air from existing facilities and route the odors to a new biofiltration process that will treat odorous air emissions. The biofilter consists of moist woodchip media which is stacked above grate and gravel air plenum which is buried. The biofilter design capacity is 12,269 cubic feet of air per minute and removes odors through a biological process. The air collection and distribution system consists of approximately 700 linear feet of ductwork piping. The project will include approximately 933 cubic yards of grading; approximately 233 cubic yards for trench excavation and fill and approximately 700 cubic yards for the biofilter treatment cells.

Review and Appeal Process: The Planning Director makes the decision to approve, approve with conditions, or to deny the application. A decision on this application will be made within 120 days from the date of completeness. Once the decision is issued, appeals must be filed within 14 days. Filing of an appeal shall require a written description of the specific aspect of the decision being appealed, rationale for the appeal, supporting evidence, and a filing fee.

Permits Required: Grading Permit-Type II, Mechanical Permit, approval from the Puget Sound Clean Air Agency, SEPA Determination.

SEPA Environmental Review: An Environmental review is being conducted and issued by the Puget Sound Clean Air Agency in coordination with the City of Lake Stevens.
